Re: In the Matter of Possible Modifications to the Arizona Corporation Commission's Energy Rules (Docket No. RU-00000A-18-0284).

Dear Interested Parties,

Staff previously issued notice of a stakeholder meeting scheduled for Wednesday, April 17, 2019 at 10:00 A.M. As a result of stakeholder feedback, Staff believes it is best to incorporate additional topics for discussion. Thus, the April 17, 2019 stakeholder meeting has been cancelled and will be replaced by a two-day comprehensive stakeholder meeting. The new stakeholder meeting will be held on **Monday, April 29, 2019 at 9:30 A.M. and April 30, 2019 at 1:00 P.M. in Hearing Room 1 at 1200 West Washington Street, Phoenix, Arizona 85007.**

The discussion will focus on possible modifications to the Commission's Rules for Renewable Energy Standard and Tariff, Resource Planning and Procurement, Energy Efficiency (Electric and Gas), Environmental Portfolio Standard, and Net Metering. Additional topics will include Baseload Security, Forest Biomass, the Statutory Biennial Transmission Assessment, and Technological Developments in Generation and Delivery of Energy.

Staff will have prepared for review and discussion possible modifications to the Commission's rules. Staff encourages interested parties to attend and provide comment on these topics for further discussion at this time. The agenda is to be determined.

Accordingly, Staff requests any interested parties to docket written comments on the aforementioned topics in Docket No. RU-00000A-18-0284.

If you have any questions, please contact Patrick LaMere of our Staff at (602) 542-4382.

Sincerely,

Elijah O. Abinah  
Director  
Utilities Division
