6 **Be it enacted by the General Assembly of Virginia:**

7 1. § 1. That the State Corporation Commission (the Commission) shall conduct a pilot program under  
8 which two or more nonresidential customers that, as of February 25, 2019, had filed applications  
9 seeking to aggregate their load pursuant to subdivision A 4 of § 56-577 of the Code of Virginia within  
10 the service territory of a Phase II Utility, as that term is defined in subsection A of § 56-585.1 of the  
11 Code of Virginia, shall be permitted to purchase electric energy from any supplier of electric energy  
12 licensed to sell electric energy within the Commonwealth, subject to the following terms, conditions, and  
13 restrictions:

14 a. A pilot program shall be conducted within the certified service territory of the Phase II Utility in  
15 which such nonresidential customers are located.

16 b. The aggregated load participating in the pilot program shall not exceed 200 megawatts.

17 c. All customers participating in the pilot program shall be subject in all respects to the provisions  
18 of subdivision A 3 of § 56-577 of the Code of Virginia (with participation in this pilot program being  
19 deemed to satisfy subdivision A 4 of § 56-577 of the Code of Virginia), with the load set forth in each  
20 application being treated as a single, individual customer for purposes of said subdivision, and shall  
21 submit an annual report to the Commission by March 31 each year to demonstrate that, for the  
22 preceding calendar year, such load continued to meet the demand limitations of subdivision A 3 of  
23 § 56-577 of the Code of Virginia.

24 § 2. The Commission shall review the pilot program established pursuant to § 1 of this act in 2022.
